FloridaInfusion is proud to have attended to the special pharmaceutical needs of community-based oncology practices for more than 16 years providing cost-effective solutions to meet the challenge of an ever-changing reimbursement landscape. As the last major independent specialty distributor in the nation, we're pleased to have been chosen as the exclusive supplier to your group purchasing organization, Oncology Associates. We look forward to serving your needs today. Congratulations on your membership in one of the most successful GPO's in America.
