

ONLINE CEU FROM AMGEN: PERFORMANCE IMPROVEMENT IN MYELOSUPPRESSION MANAGEMENT

GOAL:

To briefly review performance improvement (PI) and to discuss how PI can be applied to the management of myelosuppressive toxicity associated with the treatment of cancer.

TARGET AUDIENCE:

Oncology nurses interested in learning more about the PI process and applying PI to the management of myelosuppressive toxicity associated with the treatment of cancer.

OBJECTIVES:

- Discuss the PI process with applications for the management of myelosuppression.
- Summarize the current evidence base for myelosuppression care.
- List examples of PI projects as potential models for the practicing nurse in a clinical setting.
- Describe a variety of resources for the development of a PI project related to myelosuppression.
- List a variety of formats for sharing an organization's PI story.

CREDIT HOURS:

This monograph has been approved for **3.4 continuing education contact hours** by the Oncology Nursing Society (ONS). ONS is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation and by the California Board of Registered Nursing, Provider #2850.

FEES:

There is no fee for participation in this program.

REGISTRATION:

This CEU can be downloaded from the ONS web site at: www.ons.org. Click on Online CE under the Education heading. Select PI Monograph CE under the Online Continuing Education heading.

ONLINE CEU: To briefly review performance improvement (PI) and to discuss how PI can be applied to the management of myelosuppressive toxicity associated with the treatment of cancer.

This program has been made possible by an education grant from Amgen.

CNE FROM: MEDIMMUNE ONCOLOGY, INC.

A CNE program that Medical Education Group LLC Euro RSCG has developed is now available called **Advances In The Dosing and Administration of Amifostine**.

The kit contains a CD-ROM and video, a study guide, post-test questions and evaluation and credit form. The program is accredited by the Pennsylvania State Nurses Society/American Nurses Credentialing Center and is worth **1 credit hour**. To register for this program, call: 877-633-4411.

This CNE activity is supported by an unrestricted educational grant from Medimmune Oncology, Inc.
