ETHYOL (AMIFOSTINE) PROTECT PROGRAM®

MedImmune Oncology, Inc. is proud to sponsor the Ethyol Protect Program®, which is designed to improve access to Ethyol® for patients. Ethyol® is a selective cytoprotective agent used to reduce toxicities associated with certain cancer chemotherapy and radiotherapy regimens. Ethyol® is available in packages of three 500 mg/10mL vials.

The Ethyol Protect Program® is offered free of charge to OA Members. The Ethyol Protect Program® toll-free hotline is available between 9:00am and 5:00pm EST at: 877-MEDI-411 (877-633-4411)

PATIENTS WHO HAVE INSURANCE COVERAGE FOR ETHYOL

Once you contact the hotline you will be connected to a program counselor. The program counselor will provide information regarding insurer reimbursement policies, billing procedures and claims appeals related to Ethyol®. The program counselor can:

- Review coverage criteria for Ethyol®
- Identify insurer codes for Ethyol®
- Explain reimbursement limitations
- Provide information regarding claims appeal procedures
- Provide information on the vial replacement program for denied appeals

PATIENTS WHO HAVE NO HEALTH INSURANCE OR LIMITED COVERAGE FOR ETHYOL

By contacting this number, a healthcare provider can pre-register a patient and review the patient's eligibility with a program counselor. MedImmune will provide temporary assistance to qualified individuals who need access to Ethyol® but lack health insurance coverage. In order to qualify for assistance, a patient must:

- Be pre-registered in the program by their physician
- Have no insurance coverage for Ethyol®
- Meet the clinical criteria of the program
- Demonstrate financial need

WHAT IS THE BENEFIT TO OA MEMBERS?

- With the full-service reimbursement support line, the administrative burden is taken off the practice's shoulders
- Customer support specialists will check patients' individual insurance policies
- Save OA practices valuable time because they are not sitting "on hold"
- Customer support specialists are highly versed in both Medicare and Non-Medicare
