ABOUT THE COVER

Ah, summer is finally here. Picnics, swimming and family get-togethers are on the horizon and hopefully some recuperation from the chaotic first half of the year. This issue of OA Member News focuses on critical data presented at the ASCO Annual Meeting in Orlando, FL. We also feature a comprehensive summary of our Head Nurse/Practice Manager Conference in March.

Oncology Associates looks forward to working with our members as we continue the journey into 2006 together. In the meantime, we wish everyone a healthy and safe summer!
