

# Practice Resources

## Clinical trial information and patient assistance programs

### Clinical Trial Opportunities and Resources

A listing of clinical trial resources, online matching services, hotlines and more provided as a service to OA members.

#### AMGEN

[www.amgentrials.com](http://www.amgentrials.com)

AmgenTrials.com is dedicated to bringing education and awareness of Amgen's clinical trials to patient and healthcare communities.

#### MGI PHARMA, INC.

For a list of current trials contact MGI's Medical Communications department at **800-562-5580**.

#### MILLENNIUM PHARMACEUTICALS, INC.

**CURRENT TRIAL:** EVEREST (Evaluation of VELCADE (bortezomib) for Injection Employed as Retreatment for Efficacy, Safety, and Tolerability)

**TRIAL DESCRIPTION:** Study patients will receive the standard regimen of VELCADE. Within each 3-week treatment cycle, the patient will receive VELCADE 1.3

mg/m<sup>2</sup>/dose as a bolus intravenous (IV) injection twice weekly (days 1, 4, 8, and 11) followed by a 10-day rest period (days 12-21). The next treatment cycle would begin on day 22. The best response based on M-protein will be used to assess clinical activity. Patients will be assessed for safety by recording all grades of neuropathy, grades 3 and 4, and serious adverse events. Recruitment of 100-150 patients anticipated in the next 2 years.

**ENROLLMENT:** Contact Millennium Clinical Operations with questions about the study or participation: Mollie Baird at **617-444-2315**.

#### NOVARTIS TRIALS

[www.novartisclinicaltrials.com/trials/home.do](http://www.novartisclinicaltrials.com/trials/home.do)

**Hotline: 800-340-6843**
