## PHARMION AGREEMENT REMINDER

Oncology Associates would like to remind you of its agreement with Pharmion for Vidaza (azacitidine for injectable suspension) and Innohep (tinzaparin sodium for injection). These products continue to be available to all OA Members in good standing.

Vidaza is available in 100 mg vials and is indicated for the treatment of all five Myelodysplastic Syndrome (MDS) subtypes. Innohep is a once-daily low molecular weight heparin for the treatment of acute symptomatic deep vein thrombosis (DVT) with or without pulmonary embolism when administered in conjunction with warfarin sodium (such as Coumadin).

Innohep and Vidaza are currently available through FloridaInfusion Services. Contact FIS directly at **800-624-0152** to place an order. For more information on Vidaza and Innohep, visit Pharmion's web site at **pharmion.com** or contact Pharmion directly for complete prescribing information at **1-866-PHARMION**. Please call Oncology Associates at **888-732-7352** with any questions regarding this agreement.
