

MEMBERS ON THE MAGNIFICENT MILE

OA Annual Physician Member Conference
August 25-27, 2006 | Chicago, IL

OA Physician Members met at the InterContinental Hotel Chicago for the 2006 Annual Meeting. Dr. Joseph DiBenedetto, Jr., MD presented recent legislative updates impacting physician practices, including the CAP Program, 2006 Demonstration Project and goals for 2007. Additionally, CSI Labs, a new OA partner, presented its services, revenue opportunities and benefits to members. Most importantly, members were privy to cutting edge clinical presentations during the weekend. A summary of several of these presentations can be found on the following pages.
