**Re: Advances in Breast Cancer CCO Independent Conference Coverage of the 2005 San Antonio Breast Cancer Symposium\***

December 8-11, 2005  
San Antonio, Texas

\*CCO is an independent medical education company that provides state-of-the-art medical information to healthcare professionals through conference coverage and other educational programs.

CLINICAL CARE OPTIONS  
ONCOLOGY

Clinical Care Options Oncology provides free access to the latest data and analysis for oncology clinicians. The Web site offers CME-certified programs including Conference Coverage, Treatment Updates, Virtual Presentations, and Interactive Case Challenges as well as hundreds of downloadable slides you can use in your own talks for free.

### Medical Education

Clinical Care Options offers a wealth of free CME-certified programs that can be completed online. Once you have read the program, passed the posttest and completed the evaluation, you can instantly print your certificate or save it in "My CME" for later use.

### Conference Coverage

Review key data presented at major medical meetings and then review Expert Analyses and audio Expert Highlights. Clinical Care Options provides independent coverage and free comprehensive summary PowerPoint slides for teaching.

### Offline Programs

In addition to the valuable material on the Web site, CCO members are invited to live programs, are able to order free print programs from the CCO Bookstore, and can subscribe to audio and video Podcasts. **OA**
