

OUR COMMITMENT TO ONCOLOGY PROFESSIONALS CONTINUES TO EXPAND.

And our multisource oncology product line is growing right along with it. Bedford now offers 27 specialty oncology injectables in 65 presentations. Important presentations like paclitaxel, Adriamycin®, octreotide and ondansetron. It's all part of our focus to continually introduce and improve high quality generics that offer real value to today's pharmaceutical market.

To learn more about our oncology products, contact your Florida Infusion representative at **800-624-0152**.
