ABOUT THE COVER

Named for its color and, it is said, the resemblance of its petal to a woman's sunbonnet, the bluebonnet is the state flower of Texas. It blooms in the early spring and can be readily found in fields and along the roadsides throughout central and south Texas. We chose this image for the cover in honor of our Head Nurse & Practice Manager Conference held in Dallas, Texas. Read a complete summary of the conference on page 13.
