OA Head Nurse & Practice Manager Conference | Dallas, TX | March 23-25, 2007

OA Members recently gathered at the Westin Galleria in Dallas, TX for the Semi-Annual Head Nurse & Practice Manager Conference. The weekend-long meeting kicked off with a Friday evening reception filled with food, networking and southwestern hospitality. Saturday and Sunday consisted of clinical presentations, round table discussions and member feedback.

Presentation topics included an eye-opening reimbursement update given by Pat DiBenedetto, RN, as well as several clinical updates. Clinical presentations included multiple myeloma, emerging taxane therapies, CML, early stage breast cancer, CINV and side effect management of Eloxatin. A summary of several presentations can be found on the following pages.

We would like to thank our sponsors for their support:
