

Viva Las Vegas!

Head Nurse & Practice Manager Conference
Las Vegas, NV
October 26-28, 2007

OA Head Nurse and Practice Manager Members joined us in fabulous Las Vegas for our autumn meeting. Members were presented with clinical updates and a legislative update from reimbursement specialist, Pat DiBenedetto, RN. Clinical topics covered were Side Effect Management of docetaxel injection and a specialty pharmacy overview and discussion. Other presentations included Emerging Taxane Therapy and Advances in Multiple Myeloma. A summary of both of these talks can be found on the following page.

Oncology Associates would like to thank the following sponsors for their support:
