

Member Connection

A Tribute to Our Members

I recently just returned from our Annual Physician Member Conference in Chicago. This conference served as a reminder of just how important our members are to the success of OA. The face-to-face contact and feedback we receive at these meetings is invaluable.

Over the years, we have traveled from California to Baltimore to meet with our members, forming lasting relationships along the way. Although the conferences often deal with serious topics such as reimbursement and cancer therapies, we always find time to have some fun.

In keeping with the theme of the 10th anniversary of *OA Member News*, I have selected some of my favorite pictures from past Head Nurse & Practice Manager Conferences and Physician Member Conferences. Thank you for the great memories!
